

Elevate Your Expertise at AMPP Western Conference 2024!

San Diego Marriott Mission Valley | San Diego, California | November 4-6, 2024

The Groundbreaking Return of this Collaborative Event

After a four-year hiatus, the AMPP US Western Conference is back! The AMPP SoCal Chapter is excited to announce the return of our region's largest gathering of coatings and corrosion prevention professionals.

Register now and maximize your learning with one of these specialization tracks:

- **Cathodic Protection/Corrosion Track** – Explore corrosion prevention strategies specifically tailored for operators, consultants, and product manufacturers.
- **Coatings Track** – Expand your knowledge about coatings specifically formulated for assets located in the Western region.
- **Marine Track** – Learn cutting-edge techniques and hear the latest research on marine applications.

Why Attend?

- **Network with Colleagues:** Meet regional colleagues and exchange ideas with industry experts at the Opening Reception, Happy Hour in the Exhibit Hall, and social events!
- **Targeted Learning Sessions:** Choose from three tracks of high-quality, specialized programs in the areas that matter most to your career.
- **Professional Development:** Sign up for an exclusive one-day Basic Cathodic Protection Rectifier Training course.
- **Innovative Exhibitions:** Explore products and services from leading industry companies.
- **Share Your Expertise:** Submit an abstract to present your latest research, best practices, or case studies at the conference. Deadline for Abstracts is June 14, 2024!
- **Earn 10 PDH Credits:** Earn career-boosting Professional Development Hours after the conference.

Register Now and Save

- **Early Bird Discount:** Register by October 4th to save up to \$100!

AMPP Western is back, and we'll see you in San Diego!
